

A Message from the President

A Message from the President Dear Prospective student, Welcome to Rosel School of Massage Therapy! Massage therapy is a growing field that is expanding and maturing in many ways. The need for massage therapy is well established in sports medicine, occupational therapy, prenatal care, and other areas of the medical and beauty industry. As a result, there are many opportunities that await you if you are interested in pursuing this field of study. At Rosel School of Massage Therapy, we believe in providing you with a comprehensive education that will prepare you for a rewarding and successful career in massage therapy. Our teachings combine a solid theoretical background with a practical hands-on approach to learning. Our experienced staff is qualified to provide you with the professional and academic foundation you will need to succeed in this field. We hope that you will choose Rosel School of Massage Therapy to prepare you for this exciting career and we thank you for considering our school for your professional training.

Sincerely, Rosel Baek President/Owner
