

Welcome & Introduction

Welcome to Rosel School of Cosmetology, where you will receive quality training in the exciting field of beauty. Our well-trained instructors will train you for a successful career as a cosmetologist, cosmetology teacher; nail technologist, or esthetician, in an atmosphere that allows your creativity to flourish! We will help you attain the theoretical, technical and interpersonal skills you require to become successful. Rosel School of Cosmetology is owned by Mrs. Rosel Back, a licensed cosmetology instructor with over 30 years of Salon and teaching experience. The school has been open since 1989 and has enjoyed 16 years of growth and success. It is located on the North side of Chicago in the pleasant Roger Park community. It is conveniently located near bus and grain lines, and offers ample parking on Devon Avenue and surrounding side streets. We offer the most up-to-date equipment and teaching aids, including videos, slides and illustrations which demonstrate current beauty techniques in step-by-step procedure. We also have a clinic, where you can gain valuable practical experience working on manikins and with the general public. Classes are taught in both Korean and English.
